

Summoning Shadows:A Rosso Lussuria Vampire Novel (Rosso Lussuria Vampire Novels)

The second Rosso Lussuria Vampire Novel Epiphany has risen within the ranks of clan status. Declared Elder and Inamorata before the Rosso Lussuria vampires, to raise a hand against her is to raise a hand against Queen Renata herself. She has taken Iliaria, the Great Siren Dracule, as her lover and ally, wearing Iliaria's sigil as a sign of their unlikely alliance. While Epiphany bears her mark, Iliaria upholds her oath and hunts one of her own the traitor Damokles who seeks to destroy the vampire-kind. Yet Damokles is not the only renegade Dracule who wants to see the fall of the Rosso Lussuria. The Draculian society is split in two those who seek to protect Azrael's Gift and those who seek to eliminate it. The Rosso Lussuria face enemies both old and new. Dismantling a reign of impending terror and uniting a clan is not so easily done when those close to you are all too adept at keeping their own council and agendas.
