A GRITTY AND COMPELLING GHOST MYSTERY... Kate Settles Into a Life with Her New Family: a Murderer, an Alcoholic, a Thief, a Teenage Runaway and a Wolf. Summer 1983: Abandoned by their mother, sixteen-year-old Kate, and her younger brother and sister find themselves on the streets. Alone and homeless, they seek refuge in a derelict bungalow in the English countryside where they meet their new family: a robber, a convict, an alcoholic and a troubled teenage runaway. Struck by the tragedy of her sister's death and terrorized by a new arrival, Kate yearns for an end to their brutal and squalid existence. She asks herself whether she should keep running or ask someone for help, someone like the woodcutter. Does the mysterious stranger in the woods hold the secret to a wonderful future or a deadly past? Scroll up and grab a copy today.
