

Nightflight (A Roxy Quinn Fantasy Book 2)

This is an erotic novella with explicit language and imagery. If you are offended by such content, please be warned before reading. The continuation of the erotic adventures of Bright Elf, Roxy Quinn. Roxy has returned home after her whirlwind Vegas weekend. At the club on a lazy Wednesday night, the management has invited an absinthe proprietor to hold a tasting. Not one for the hallucinogenic drink, Roxy tries to avoid the promiscuous little green fairies, but the cunning, mysterious Reynard is difficult to say no to. Roxy finds herself sipping the dangerous drink and succumbing to the advances of the fox shifter and his gleaming smile. Lost in a haze of lust and excitement, the two are unaware of the disappearing fairies. Reynard feels the absence of his magical companions and Roxy rushes to help him look for them only to discover an old rival has followed Reynard and kidnapped the fairies. Roxy and Reynard must hurry to save the fairies from their iron prison before they fade out of existence and take Reynard with them.
