

Tranny Sci-Fi: Erotica Bundle

This bundle contains two steamy stories of tranny related science-fiction. Stories include: **Cyborg Slut: Alien Tranny Invasion** Cyborg Captain J-9 is on an intergalactic sex quest: find intelligent life, seduce a specimen and collect its seed for analysis. When Captain J-9 receives a hostile transmission from Captain Futanari, a member of the Futa; a race of female aliens with male reproductive organs, Captain J-9 will need to use all of her wits and cunning to survive the tranny alien invasion as well as fulfil her mission of collecting the gorgeous Futa captains seed.

Help! Aliens Gave Me a Weenie! Sandra is terrified to be housesitting up in the mountains, surrounded by forest and all alone, but when a strange light appears in the sky and transports her to an alien operating table, she realises that one of her ultimate fantasies is about to come true. Will her boyfriend and her best friend disown her, or will they contribute to fulfilling her most secret desires and help her learn to use her new, alien gift.
