

Second Chances (The Stone Series Book 4)

Due to the sexual nature of this story it is intended for mature readers only. The Stone Series continues with Second Chances where we discover the secrets of Pete Romans past and watch as his rekindled romance with Hollywood superstar, Raina Montgomery affects not only him but their group of friends. We last saw Pete Roman, sexual Dominant and friend to Damian Stone, at the video shoot for Sebastian Morrisons first music video. When Pete spots the girl that got away, all the old feelings come flooding back. But before Pete has time to face his past with Raina he is confronted by his best friends terminal illness. Reuniting the gang for a final adventure at their friends beach house brings Pete and Raina together for one last reunion, a second chance at love. Pete and Raina have a magnetic attraction; even though they were separated for years their destiny always pulled them close. Will that connection be enough for the mistakes of the past to finally right themselves or will old habits die hard? Once Raina is forced to recall the events of their past, the ones that changed her and Pete forever, will she discover that the ghosts of that past are too much to overcome?
