

Greedy official, He Shen (Simplified Chinese reading comprehension, Level 1, Chinese-English Bilingual)

(This book is with free audio book, and also readable on iPad and tablets.) When He Shen (1750~1799) was 23, he became a member of honor guard of the imperial palace. It was not a very good job, but he had the chances to contact with the emperor Qianlong. One day, Emperor Qianlong read Mencius, He Shen recited all the notes from memory. Impressed by this sedan carrier with some knowledge, Qianlong gave him a new job and an official post four years later. From then on, Emperor Qianlong favored him very much. Eventually, He Shen became a super greedy official who took advantage of his power to embezzle a lot of money.
