

The Avatar Syndrome (Prequel to Headless World)

The Avatar Syndrome follows Anne from childhood to womanhood; from a troubled, taciturn youth, to a world-renowned violinist; from misunderstood recluse, to messiah of a higher truth and beauty. From 5 Stars Reviews: The author is an enlightened being and it is very evident in this masterpiece (Michael P. Tinsley, Amazon.com) If you love art, music, philosophy, beauty, and science, then read this book. (Adam Kerry, Smashwords)
