

Star Trek: Captains Chair: The Virtual Tour of Five Starship Bridges

Whats it like to be in command of one of the most powerful ships in Starfleet? In Star Trek Captains Chair, you get the chance to experience the excitement of Starfleets most famous ships -- and get your hands on the Federations latest (and earliest) technology. Using photorealistic QuickTime VR technology, Captains Chair puts you on the bridge (and behind the panels!) of your favorite Star Trek ship -- including the spectacularly recreated Original Series U.S.S. Enterprise NCC-1701. Set in the 24th Century as a museum archival holosimulation of the Federations finest ships, Captains Chair is as close to living in the world of Star Trek as you can get...unless you own a holosuite. **SYSTEM REQUIREMENTS**
