

# Luas Ukulele: A Musical Tale of Mainland Madness, Island Wisdom and Second Chances

A cast from the Mainland, sailing the sea; a second-chance story, to watch on TV. From island to island, with captain and crew; exploring new places, on waters deep blue. ~ Out on the ocean, with no land in sight; questioning old ways, from darkness to light. Come join their journey, see what they learn; not so uncommon, these things we all yearn. ~ Oh Beauty and Wonder, left in our wake; must be recovered, so much is at stake. Finding the balance, weighing the worth; all of us Islanders, on this Good Earth.
