

Taken to the Stars: 4 Story Bundle

Taken to the Stars: 4 Story Bundle contains four hot, erotic stories that are out of this world! Included are the first three 21,000 word stories in the Taken to the Stars series, Abducted, Royal, and Queen, and the steamy short story, Probed by Tentacles. Taken to the Stars: When she finds herself abducted and millions of miles from home, Claire is terrified that learn that her alien abductors require compatible human hosts to give them Royal offspring, ensuring the survival of their species. Initially unwilling to go along with the reptilian aliens demands, Claire soon learns that she has to give in to their commands - or die. Soon, she accepts her fate and learns to embrace her sexuality, bonding with one of the aliens in the process. Surprised to find that shes developing feelings for him, shes torn between finding a way home and creating a new life with the one alien who truly cares for her. Unbeknownst to Claire, however, other alien forces are at work, and they have special plans in mind for her...

Probed by Tentacles: Emily and her boyfriend, Noah, wake up one day to find that the world is being taken over by aliens. Humans are being sucked up into the sky and no one knows why. After being attacked and separated from Noah, Emily is grabbed by gigantic tentacles descending from the spaceships in the sky. When she is deposited in an exam room, shes scared. When the door opens, revealing a multi-tentacled alien, shes terrified. But she resolves herself to do anything the alien monster desires. Soon, she finds herself used in every way by the tentacled alien, but shes surprised she actually likes it. Will she ever find Noah again? Will she survive? And most importantly, what are the aliens using the human women for? If you liked these stories, be sure to check out Barb Chases author page for more aliens, werewolves, ghosts, and more!
