

## Tarzan My Father

A portrait of the most beloved Tarzan and a tale of Hollywood at its legendary peak. An authoritative insight into the life of the man most film fans consider the one and only Tarzan - Olympic swimming champion Johnny Weissmuller - this book offers an intimate look at Weissmuller's early life, middle years, and later decline, through swimming training, Olympic triumphs, failed marriages, a Hollywood life as Tarzan of the Apes, and subsequent career as Jungle Jim. Written by his only son, this biography is a sensitive yet unsentimental portrayal of the man who was Tarzan to movie fans around the world. Johnny Juniors inside perspective on his fathers life and career includes interviews with his fathers celebrity friends and former wives, recollections of conversations with his father over the years, and family stories involving international icons such as Humphrey Bogart, Errol Flynn, Robert Mitchum, Joe Louis, and many others. There are surprises in the text and many photos from private collections that have never before been printed or seen by the general public.
