

The Boxcar Kid (Boxcar Kid Series Book 1)

The Boxcar Kid by Dick Miller Book 1 in the Boxcar Kid Series-Action & Adventure-Historical Thriller In the cold heart of the 1930s Great Depression, driven by hardship and poverty, Bucky Ellis hops his first freight train at the tender age of thirteen. Leaving home is the hardest thing hes ever done, but, as the oldest of the four Ellis children, he knows the family will be better off with one less mouth to feed. Luckily, he finds a new friend and mentor in that first boxcar he climbs into. K.O., son of a black prizefighter, teaches Bucky how to fight, and he teaches him the rules for staying alive. Together, the boys begin their search for a better life. As the two friends ride the rails, there are a quarter-million others just like them -- all in search of work, of something better. Bucky quickly discovers this is a new world with its own rules -- where the kindness of strangers is not guaranteed and is more than overshadowed by the brutality of the railroad detectives, or bulls. As if life wasnt hard enough, in a struggle to save K.O.s life, Bucky makes a deadly enemy in Crusher, one of the worst of these bulls. As Bucky grabs opportunities and begins his ascent to a better life, brilliant and psychopathic Crusher is waiting, watching, patient, determined to see Bucky dead -- after the kid pays in pain.
