

The Camelot Conspiracy: A Novel of the Kennedys, Castro and the CIA

Its 1960, the height of the Cold War, but for Dante Amato of the Chicago Mob, life is anything but cold. Charismatic and movie-star handsome, Dante has settled comfortably into his role as The Outfits man in Hollywood and Vegas. Dantes older brother, Aldo, a CIA agent, couldnt be more disapproving of his brothers life. Yet when Dante is ordered to meet with a beautiful Cuban go-between named Marissa del Valle, and then mob boss Sam Giancana summons him to Miami to discuss a U.S. Government commission to hit the Cuban dictator, Dantes first call is to his brother. Is it a set-up? Or a chance for the mob to restart the flow of gambling and drug money from Havana? And what about Bobby Kennedys war against The Mob? Bobby Kennedy is a snake, says Jimmy Hoffa to Santo Trafficante. And how do you kill a snake? You cut off its head. As this spellbinding thriller by E. Duke Vincent unfolds, a gripping story emerges, masterfully connecting the dots between the Kennedys, Castro, The Mob, the CIA . . . and the Grassy Knoll.
