

The Death Trade (Sean Dillon Series)

With fresh plots, interesting characters, and vibrant settings, Jack Higgins has firmly cemented his reputation as one of the worlds most successful thriller writers. ? The Strand Magazine The master of suspense returns, with a fierce cutting-edge tale of international terrorism and personal heroism. Jack Higgins has written some of the best suspense fiction of the past fifty years, wrote The San Diego Union-Tribune. And in The Death Trade, he does it again. An eminent Iranian scientist has made a startling breakthrough in nuclear weapons research, but he cant stand the thought of his country owning the bomb. He would run if he could, but if he does, his family dies. He is desperate, he doesnt know what to do. It is up to Sean Dillon and the rest of the small band known as the Prime Ministers private army to come up with a plan. Most particularly, it is up to their newest member, an intelligence captain and Afghan war hero named Sara Gideon, who thinks there just might be a way to bring it off. But plans have a way of coming up against the unexpected. And as the operation spins out, from Paris and Syria to Iran and the Saudi Arabian desert, there is very much that is unexpected, indeed. And much blood that will be spilled. Filled with event, driven by characters of complexity and passion, The Death Trade is a remarkable novel by the dean of intrigue novelists (St. Louis Post-Dispatch).
