

## Fury From Within

In 1945, Hitler had it placed on the last plane out of Berlin. In 1975, the Soviet Union buried it in the United States. Now Muslim Extremists plan on using it.... In May 1975, at the height of the Cold War, the Soviet Union strategically buried briefcase sized nuclear weapons near prominent civilian targets in the United States. It was also happened to be Michael Forsythes first month on the job as an FBI agent. Forty years later, Forsythe is just weeks from retirement when he learns an old KGB friend has resurfaced in the company of extremists. When Forsythe discovers his friend is providing the extremists access to the suitcase nuclear weapons, he suddenly becomes involved in a deadly game of cat-and-mouse that threatens to destroy all he holds dear. Now its a desperate race against time..... Mr. Smiths Award Winning Thriller, ANGELS FALLEN is now available on Kindle. Revised edition: This edition of Fury From Within includes editorial revisions. Please note: Any typos or anachronistic language mentioned in reviews below referred to previous editions of this book before editorial revisions took place. ABOUT THE AUTHOR Amazon bestselling author Francis Joseph Smith has traveled to most of the world during his tenure in the Armed Forces (Navy & Air Force) and as an Analyst for an unnamed Government Agency, providing him with numerous fictional plot lines and settings for future use. His experiences provide readers with well researched, fast-paced action. Smiths novels are the result of years of preparation to become a fiction writer in the genre of Clancy, Griffin, Higgins, and Cussler. Smith lives with his family in a small town outside Philadelphia.
