

The Goodreads Killer 3: Artistic Differences

*** R-rated for sex, violence and bad language *** The final blood-soaked part of The Goodreads Killer. Length: 20,000 words Please note that all three novellas are also available in The Goodreads Killer: The Trilogy. Dave Franklin has written seven novels and five collections of short stories, none of which should be read to small children at bedtime. In fact, his caustic, profanity-laced fiction should be approached with caution.
