

The Honky Hunting Series, Vol. 1: A Gay Black Man Who Lusts for Alpha Redneck Meat (Redneck Screw Society Book 5)

Here's the combined first three volumes of the Honky Hunting series of hardcore gay erotica. These tales are about Jermaine, an openly gay black man who lusts for one particular type of stud: macho, filthy rednecks! This ebook begins with a man whose pickup has enough room in the back for Jermaine and whichever hillbilly wants to take a turn on his tight holes! Then comes a redneck cop with a penchant for dominating black men; he doesn't know how to take it when one begs for what he normally shoves in! Lastly Jermaine finds a drug-dealing hick in a trailer park who is willing to get his rocks off in whomever asks nicely, or even not at all!
