

The Keycode: An Architect Short Story (The Architect Book 3)

Seth Mortimer is the Architect, a criminal mastermind who runs a one stop consultancy for the British underworld. Seth and his friend-come-apprentice Jacob are hired by the chief financial officer of a tech company to break into her boss's office but it's no ordinary break in. They're not supposed to steal anything... A short story perfect for a quick read to lose yourself in for an hour, *The Keycode* is exclusively available as an ebook. The Architect books can be read in any order as they all stand alone, however, if you want to read them in chronological order then it goes like this: *Kernel Panic* *The Keycode* *The Voynich Deception* You can find Michael Lancashire's writing in the following categories: Action & Adventure Assassinations Crime Thrillers Heist Kindle Short Reads Mysteries Organized Crime Suspense
