

IT ALWAYS RAINS ON WEDNESDAYS: [Revised edition]

Out of the woodwork crawls the evil Victor Allerton-Smythe: A man who knows no boundaries to his evil-doing. He is a man of high political office; with the ambition to be the next prime minister of Great Britain. Can sophisticated, ex-SAS man, now private detective Brian Bradshaw, foil the devil-worshipping antagonist? Can he find the kidnapped Rupert Parkinson before it is too late? - Or is it too late already? Political intrigue at its best - with a dash of cannibalism and voodoo dirty-work thrown in for good measure!
