

Marys Message: The Story of Mary Magdalene and Yeshua ben Yosef

My name is Mary. I come from Magdala. Well, actually, I come from a lot more than Magdala, but the time I walked on Earth, the time you heard about, I was born in Magdala. I come from a much greater place than that, however, and so do you. Travel through the ages and hear reflections on love, life, and one of the greatest stories of all time from one of the most amazing women of all time. Mary Magdalene offers us insight into her life with Yeshua (Jesus) and gives her perspective on the events that occurred then and on up to our present day. Mary and Yeshua were very special, as we all are very special. They were very awake beings - very aware of the connection of all life and the divinity within...but these attributes are available to us all. Through the lyrical, poetic, passionate, sometimes funny, always heart-centered unfolding of her story, Mary reminds us how to access these qualities to create a beautiful life for each one of us and all of us...the life she and Yeshua lived.
