

The Quarter Life Crisis Poet: A Collection of Poems on Pain, Heartbreak and Defiance by a Twenty-Something

Here we have a collection of poems I wrote between 2010-2015. Its essentially 25 years of my existence, much of it was filled with pain, disappointments and sorrow. Maybe you can relate? Out of despair, hope can return and happier days can appear. I hope these poems can make you feel less lonely about the pain we all feel inside. Even if youre facing a Quarter Life Crisis know that youre not the only one and you will come out of it stronger. *Hugs!* Join me on my journey....
