

Secret Lives: Volume 3 - Obsession

Volume 3 of the Secret Lives series! Nate is a very lucky man. Somehow he got Hannah to marry him even though she is the perfect woman and hes, well, far from perfect. Shes sweet and sexy and all she wants is to make him a happy man. Or at least that is what Nate thought, until Hannah started working late every night. Having hushed conversations on her phone late at night. Sneaking around. Now, Nates in trouble. He had almost let the threesome with Hannah and Robert go too far but as soon as he left the room, all he can do is regret it. Obsessed with both of them, he is sullen and desperately horny until he takes matters into his own hands. Someone saw him though. Who would blackmail Nate after knowing all of his dirty, little secrets? Warning: This novelette contains hot and heavy action, m/m, f/m, spicy descriptions, steamy, sultry times and a cliffhanger. Read at your own risk...or delight! Praise for Owen Wilde: Erotic in a this could happen in real life sort of way, without being over the top, it contains a well written and descriptive sexual encounter. More than just a quickie, there is attraction, hints of deeper emotions and character development that gives a taste of more to come. Well written and edited, this brief yet complete story doesnt leaving the reader hanging. I enjoyed this short story and would recommend it to anyone looking for a quick little read to pass the time.
