

The Shakespeare Handbook (Literature and Culture Handbooks)

Literature and Culture Handbooks are an innovative series of guides to major periods, topics and authors in British and American literature and culture. Designed to provide a comprehensive, onestop resource for literature students, each handbook provides the essential information and guidance needed from the beginning of a course through to developing more advanced knowledge and skills. Written in clear language by leading academics, they provide an indispensable introduction to key topics, including: * Introduction to authors, texts, historical and cultural contexts * Guides to key critics, concepts and topics * An overview of major critical approaches, changes in the canon and directions of current and future research * Case studies in reading literary and critical texts * Annotated bibliography (including websites), timeline, glossary of critical terms. The Shakespeare Handbook is an accessible and comprehensive introduction to Shakespeare and early modern literature.
