

Captain Riley (The Captain Riley Adventures)

Its 1941, and Captain Alexander M. Riley and his crew of deep-sea treasure hunters believe they're setting off on yet another adventure to find a mysterious artifact off the coast of Morocco for an enigmatic millionaire with questionable motives. Part-time smugglers, world travelers, and expats who have fought causes both valiant and doomed, Riley and his crew soon find themselves in the crosshairs of a deal much more dangerous than the one they bargained for. From Spain to Morocco to an Atlantic crossing that leads to Washington, DC, Captain Riley must sail his ship, the Pingarron, straight through the eye of a ruthless squall and into a conspiracy that goes by the name Operation Apocalypse—a storm that only he and his crew can navigate.
