

The Sword of Justice ~ A Lawyers Revenge (A Bruce West Novel Book 1)

This is the first in the humorous series of Bruce West Novels about the life, escapades and legal exploits of C. Bruce West, who surrounded by the trappings of his professional success, is floundering in his private life. He is retained to defend a man accused of rape who not only offers a truly preposterous alibi, but fails to pay Bruce's fee. Unprepared, unpaid and unable to extricate himself from a protracted trial, he plans to exact revenge by selecting a jury certain to convict his client. But during the heat of the courtroom drama that unfolds, Bruce becomes overwhelmed by his compulsion to win. Bruce further complicates his life by becoming involved in a torrid romance with his client's boss. He becomes obsessed by an urgent need to end the suffocating relationship.
