

The Travelers Tales: Encounters Two: Bi-Encounters

Many readers of the sexually charged best sellers have enjoyed this and the first book of Juanitas series. Test readers have been calling The Encounters, Hot! Another responded by saying, I had to splash water on my face. A new reader wrote, I had to go outside in the cool air I was so turned on, flushed, hot. Come inside. See what turned them on... All the stories are new. The genders mix, the sexual pleasures increase, and new dimensions of sensual pleasure are explored with our bisexual couples. This authors second book is hotter than the first when she mixes the sexes in new encounters. This book satisfies with stories that are filled with carnal passions and steamy tales of sexual encounters. Look into lives filled with alternative ideas about sensuality and the confidence to explore them. The Traveler had been gone for weeks. So riding up to his home, a rustic cabin set in the midst of steel and concrete didnt bother him in the least. I have some new stories, though I can guess you will be the only audience for them, he looked toward the kitchen and from the doorway, the red head smiled. The Traveler walked across the room and kissed her on the forehead. These are not the type I think I would take with me to those other places, but you liked the others so I couldnt see leaving them to be lost to time. Would you like to hear one?
