

The Voyage Out

Adeline Virginia Woolf was an English writer, regarded as one of the foremost modernist literary figures of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a member of the Bloomsbury Group. Her most famous works include the novels *Mrs Dalloway* (1925), *To the Lighthouse* (1927) and *Orlando* (1928), and the book-length essay *A Room of One's Own* (1929), with its famous dictum, A woman must have money and a room of her own if she is to write fiction.
