

Life in the Tick Box

How do you imagine your future? Imagining the future helps us to prepare for problems and be more equipped to solve them but what if your entire future was totally and absolutely within the hands of the State? A State which was based on scoring and your ability for happiness, success and health, rested in those ratings! What would you do? Would you contemplate to leave or to remain? This mini-story, is a funny view of things which may possibly come to pass; with hidden truths but powerful meanings!
