

The Traveling Man (The Travelers Book 1)

An absorbing, deviant tale of redemption.--Kirkus Reviews Married con artists, using the aliases Tom and Patty Brown, arrive in the small city of Seanboro with their partner, Buddy Ray, masquerading as land speculators. Their plan is to falsify the environmental reports on a contaminated tract of lakefront property and sell the land to a local gangster who is involved in real estate development. But as their plan progresses, and the double-crosses pile up, they find themselves pursued by their now ex-partner Buddy, seeking revenge, and by an old enemy plotting their murder. This novel is a dark crime thriller that will take you for a roller coaster ride.
