

Trial by Fire: A Rainbow Cove Novel

All Detective Lieutenant Grace OShea wanted was to go home...a home that she left years ago. The only thing she wanted was love. It was the one thing that she had been searching for since she left the Columbia area and Lexington County. It was the reason that she was running home, finally, after ten years...love... Reagan Knightley knew all too well how things change and life moves on around you. She didn't leave Lexington. She adapted and became a successful business woman. How was she to know that ten years later her high school crush would come walking into her bar and drink her sorrows away? Could two polar opposites from high school come together, overcome their past, and live a future that neither of them were prepared for? Can an unsolved crime bring them together and right a wrong long wishfully forgotten? Only their Trial by Fire will tell...
