

Humiliated by Sailors: A tale of MILF and gay humiliation

While Meg Bryant is having rough, masochistic sex with the handsome one of the two sailors, that she and her husband have just met while on their holiday, she has no idea that her husband is experiencing the same thing with the other of the sailors; and she is first appalled, then turned on, when she discovers this. On return from holiday, Meg resolves to have further such sexual encounters, but the young work colleague she has an affair with has a secret, and she really is appalled when she finds out what this is.. Extracts: She realised that hand was fumbling with Mikes trouser zip, as if it had a mind of its own, independent of her control, as it grasped Mikes warm throbbing member- Fuck me hard -abuse me she heard her voice say, strangely hoarse, as if it was someone else speaking; and Mike grabbed her hair, pulling her head back- You fucking whore he said, spitting into her face. She could feel the stones digging into her back, but the pain didnt bother her, as Mike roughly undid her trousers and tugged them down, then ripped her knickers away from the entrance to her fanny. Now he was no longer the gentleman she had been talking to, but like a wild beast. His strength was such that he tore the cotton of her panties, and seeing this he grabbed them and ripped them completely off, and then balled them up and pushed them into her mouth as a gag. I dont want to hear your fucking voice anymore Im not interested in what you have to say. Next, his head was between her legs, his tongue darting in little circular movements around her clitty, driving her to distraction. Just then Meg jumped as the door buzzer sounded, and her husband quickly got up and went to answer it. He obviously was expecting someone -to answer the door dressed as he was. And then Megs previous suspicions were confirmed as she heard Carls voice- Hello, you filthy, fucking faggot he said to Peter.

Hello Master Peter replied. Get down on your knees and suck me off, you piece of shit Carl said. Certainly Master hubby said compliantly. I want to fuck your hole, slut Carl said lay on your back.
