

An Orphans Christmas

Liverpool, 1936 Molly Penelope Hardwick has been abandoned in Haisborough Orphanage. Desperate to discover her background, she befriends another orphan, Lenny Smith. Together they sneak out to roam the city of Liverpool, and hatch plans for their escape. But when Molly is forced to leave the orphanage, Lenny has no idea where she's gone. And when war is declared, he soon forgets about his childhood best pal to focus on his posting with the RAF in Scrimpton. What Lenny doesn't know is that Molly is desperate to join the war effort, and with her sights set on joining the WAAF, chances are they will see each other again. But will things ever be the same after all this time?
