

Covenant Trigger: A Sci-Fi Horror Story

A rogue ATF sniper stalks as a lion...and sees federal agents as game. As Karma. As dead flesh needing removal. In the world this nightmare stalks, only the mentor can confront him. Chase him. Across the deserts and a into a cartel necropolis in Mexico while outsmarting the predator at his own game. Thereafter, find the mysterious Covenant that arms him. Except each obstacle grows harder than the last, until he meets a being that shouldn't exist, a being unlike any he's faced-- in a place of horror and firestorms. And as he tries to rescue his family, he must choose the lesser evil to kill: the known or the unknown. Save his family... or his country. Banding together with his childhood chum and fellow agent and guided by the mere rumor of otherworldly treasure, he sets out to face not only the Stalker but undead foes and crazy scientists with shapeshifter weaponry, all while straining the limits of friendship and loyalty. A loyalty that has boundaries...
