

The Diamond Exchange 2

After robbing them, Amina shot sisters Diamond and Princess and left them for dead. She kidnapped Diamond's daughter Leona and fled to New York City with plans to raise her as her own. Amina uses her stolen money and jewels to find success in NYC, opening up her own jewelry store, and she meets the man of her dreams. What Amina does not anticipate is Diamond and Princess surviving the shooting and tracking her down, determined to find Leona and take their revenge. Will Amina be able to hide her past as a killer and a thief from her new man and maintain her new, happy family life? Or will her past finally catch up to her?
