

## Still Killing Children

A devoted father discovers asbestos on the beach in *Still Killing Children* by Philip Womersley. Peter Stronglimb, the main character has it all: a gorgeous wife beautiful kids and satisfying work. When one of his and two of his good friends children sicken because of pollution on the beach where they all played, he takes matters into his own hands. Finding the perpetrators isn't easy, especially when mysterious people are out to stop him he has to commit murder and avoid blackmailers. Gorgeously written and unquestionably timely *Still Killing Children* is Womersley's call to action for anyone concerned with the environment. A thinking persons thriller and a high octane enjoyable read, it really packs a punch.
