

Where the Heart is (Oprahs Book Club)

Novalee Nation has always been unlucky with sevens. Shes 17, seven months pregnant, 37 pounds overweight -- and now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, holding just \$7.77 in change. An hour ago, she was on her way from Tennessee to a new life in Bakersfield, California. Suddenly, with all those sevens staring her in the face, she is forced to accept the scary truth: her no-good boyfriend Willy Jack Pickens has left her with empty pockets and empty dreams. But Novalee is about to discover treasures hidden in Sequoyah -- a group of disparate and deeply caring people, among them blue-haired Sister Thelma Husband, who hands out advice and photocopied books of the Bible ... Moses Whitecotton, the wise, soft-spoken, elderly black photographer eager to teach Novalee all he knows ... and Forney Hull, the eccentric town librarian who hides his secrets -- and his feelings -- behind his world of books.
